

Academic Awards

The University of Ghana supports academic achievement and is pleased to recognize and reward undergraduate students whose performance merits special attention. We award a variety of honors to students who have demonstrated academic distinction during their four years at SOP

Graduation with Honors

Graduation with Honors is bestowed on students who have completed all requirements of the University-wide Honors Program. This academic recognition becomes part of the official record and is noted on the certificate and transcript of the recipient.

The MERCK prize for Overall Best Student

This award was established in 2013 for three consecutive years and sponsored by MERCK to honour students who have attained a high scholastic record throughout the four years of the programme and have given evidence of the greatest promise of future achievement. It comprises one month internship/training at MDA in Germany, a MERCK certificate and a plaque.
